Information About Brokerage Services

Texas law requires all real estate license holders to give the following information about brokerage services to prospective buyers, tenants, sellers and landlords.

2-10-2025

TYPES OF REAL ESTATE LICENSE HOLDERS:

- **A BROKER** is responsible for all brokerage activities, including acts performed by sales agents sponsored by the broker.
- **A SALES AGENT** must be sponsored by a broker and works with clients on behalf of the broker.

A BROKER'S MINIMUM DUTIES REQUIRED BY LAW (A client is the person or party that the broker represents):

- Put the interests of the client above all others, including the broker's own interests;
- Inform the client of any material information about the property or transaction received by the broker;
- Answer the client's questions and present any offer to or counter-offer from the client; and
- Treat all parties to a real estate transaction honestly and fairly.

A LICENSE HOLDER CAN REPRESENT A PARTY IN A REAL ESTATE TRANSACTION:

AS AGENT FOR OWNER (SELLER/LANDLORD): The broker becomes the property owner's agent through an agreement with the owner, usually in a written listing to sell or property management agreement. An owner's agent must perform the broker's minimum duties above and must inform the owner of any material information about the property or transaction known by the agent, including information disclosed to the agent or subagent by the buyer or buyer's agent. **An owner's agent fees are not set by law and are fully negotiable.**

AS AGENT FOR BUYER/TENANT: The broker becomes the buyer/tenant's agent by agreeing to represent the buyer, usually through a written representation agreement. A buyer's agent must perform the broker's minimum duties above and must inform the buyer of any material information about the property or transaction known by the agent, including information disclosed to the agent by the seller or seller's agent. **A buyer/tenant's agent fees are not set by law and are fully negotiable.**

AS AGENT FOR BOTH - INTERMEDIARY: To act as an intermediary between the parties the broker must first obtain the written agreement of each party to the transaction. The written agreement must state who will pay the broker and, in conspicuous bold or underlined print, set forth the broker's obligations as an intermediary. A broker who acts as an intermediary:

- Must treat all parties to the transaction impartially and fairly;
- May, with the parties' written consent, appoint a different license holder associated with the broker to each party (owner and buyer) to communicate with, provide opinions and advice to, and carry out the instructions of each party to the transaction.
- Must not, unless specifically authorized in writing to do so by the party, disclose:
 - that the owner will accept a price less than the written asking price;
 - that the buyer/tenant will pay a price greater than the price submitted in a written offer; and
 - any confidential information or any other information that a party specifically instructs the broker in writing not to disclose, unless required to do so by law.

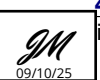

AS SUBAGENT: A license holder acts as a subagent when aiding a buyer in a transaction without an agreement to represent the buyer. A subagent can assist the buyer but does not represent the buyer and must place the interests of the owner first.

TO AVOID DISPUTES, ALL AGREEMENTS BETWEEN YOU AND A BROKER SHOULD BE IN WRITING AND CLEARLY ESTABLISH:

- The broker's duties and responsibilities to you, and your obligations under the representation agreement.
- Who will pay the broker for services provided to you, when payment will be made and how the payment will be calculated.

LICENSE HOLDER CONTACT INFORMATION: This notice is being provided for information purposes. It does not create an obligation for you to use the broker's services. Please acknowledge receipt of this notice below and retain a copy for your records.

THE STATE OF TEXAS §
 § KNOW ALL MEN BY THESE PRESENTS
COUNTY OF MEDINA §

FRANK E. WINKLER and CLAY HEYEN, hereinafter called "DECLARANT," being the owner of all of the surface estate of the following described real property lying and being situated in the County of Medina, State of Texas, and being more particularly described as follows, to-wit:

A 258.7 Acre Tract of Land being situated about 7.5 miles N 34 deg. E of the City of Hondo in Medina County, Texas, being 257.6 Acres out of Survey No. 90, Abstract No. 220, Henry Castro, original Grantee, and 1.1 Acres out of Survey No. 89, Abstract No. 871, Jacob Solms, original Grantee, also being all of a 260 Acre Tract conveyed from Marion A. Brucks to Annie Brucks Bendele and Herman L. Brucks by Deed dated May 17, 1983 and recorded in Volume 324, Page 694 of the Deed Records of Medina County, Texas, and being more particularly described in Exhibit "A" attached hereto and made a part hereof for all purposes (the "Property").

for the purpose of carrying out a uniform plan for the development, do hereby make, declare, adopt and impose upon the above described real property, the following covenants, conditions, restrictions, and limitations which shall apply to and become a part of all contracts of sale, contracts for deed, deeds, and other legal instruments whereby title or possession to any tract in said Property is hereafter conveyed or transferred, such covenants, conditions, restrictions, and limitations to run with the land and to be binding upon and inure the above-described property or any portion thereof, to the benefit of the Property, each tract and each Owner, their heirs, executors, administrators, successors, and assigns.

ARTICLE I

DEFINITIONS

Section 1.1 "Owner" shall mean and refer to one or more persons who have been conveyed an Interest in the Property, whether by deed, contract for deed, lease or license, and their transferees. The term "Owner" shall not include those having an interest mainly for purposes of securing performance of an obligation, provided that the purchaser at a foreclosure sale or trustee's sale shall be deemed an Owner. Where record title is vested in the Texas Veterans Land Board subject to a contract for deed by and between the Texas Veterans Land Board and a "veteran purchaser", the veteran purchaser shall be deemed the Owner.

Section 1.2 "Declarant" shall mean and refer to FRANK E. WINKLER and CLAY HEYEN, their successors, and/or assigns.

Section 1.3 "Person" shall mean an individual, corporation, Partnership, association, trust or other legal entity or any combination thereof.

Section 1.4 "Association" shall mean and refer to the Old Bandera Road Estates Owners Association, an Association comprised of the Owners as herein defined, their successors and assigns, as

described below, the bylaws of which shall govern the administration of this Property according to the terms of this Declaration.

Section 1.5 "Interest" shall mean and refer to that right of exclusive use of any tract in the Property, whether such interest be obtained by virtue of deed, contract for deed, lease, license or other similar conveyance.

ARTICLE II

OLD BANDERA ROAD ESTATES

Section 2.1 The Owner Association is hereby established and activated for the purpose of establishing rules and regulations of its members. Such Association may establish rules and regulations as it deems appropriate for the mutual benefit of the tract owners in the Property, according to the bylaws of the Association and so long as such rules and bylaws do not in any way conflict with this Declaration of Restrictions, Easements and Limitations. The Association shall have a Board of Directors appointed by Declarant until such time as 100% of the tracts in the Property have been sold to other persons.

Section 2.2 Membership. Each Owner shall be a Member of the Association. The Membership in the Association shall be appurtenant and shall not separate from ownership of an Interest, and any transfer of such membership not made as part of a sale or transfer of an Interest shall be null and void. Ownership of an Interest shall be the sole qualification for being, and shall automatically make the Owner a Member of the Association subject to all of the bylaws, rules and regulations of the Association. No Member shall be required to pay any consideration whatsoever solely of its membership in the Association. No Member may resign or otherwise terminate its Membership in the Association.

Section 2.3 Voting Right. The voting rights and procedures of Members of the Association shall be as set forth in the bylaws of the Association; provided, however, if an Interest is held by more than one person, the number of votes entitled to be cast for such Interest shall be the same number as if such Interest were held by only one person.

Section 2.4 Suspension of Voting Rights. The voting rights of an Owner may be suspended by the Association for any period during which any assessment against such Owners is in default, and for a period not to exceed sixty (60) days for an infraction by an Owner of the Association's rules and regulations.

ARTICLE III

ASSESSMENTS

Section 3.1 Amount of Assessments. Each tract in the Property shall be assessed annually the amount of \$100.00 for road maintenance. Special assessments to be used by the Association for any of the uses and purposes described in the bylaws of the Association may also be established. The amount of any special assessment shall be established by the Board of Directors of the Association, subject to approval of at least two-thirds of the Owners.

Section 3.2 Creation of Lien and Personal Obligation for Assessments. Each Owner of any Interest is hereby deemed to covenant by acceptance of a conveyance or transfer of an Interest, whether it shall be so expressed in such conveyance or transfer, to pay to the Association the assessments hereinafter described. Such assessments, together with interest, costs of collection, and attorney's fees, shall be a continuing lien upon the Interest of

the Owner against whom such assessment is made. The obligation to pay such assessments being part of the purchase price of each Interest, such lien shall be superior and paramount to any homestead or other exemption provided by law. Each such assessment, together with the interest, costs, and attorney's fees, shall also be the personal obligation of the person who was the Owner of such Interest at the time assessment first became due. The personal obligation for delinquent assessments shall not pass to an Owner's successor in title unless expressly assumed by such successor, but, nevertheless, the lien of such assessments shall continue to be a lien upon the Interest as provided above.

Section 3.3 Subordination of the Lien to Mortgages. The lien of the assessments provided for herein shall be subordinate to the lien of any first deed of trust lien or any lien securing a debt incurred in purchasing any Interest. Sale or transfer of any Interest shall not affect the assessment lien. However, the sale or transfer of any Interest pursuant to mortgage foreclosure or any proceeding in lieu thereof, shall extinguish the lien of such assessments as to payments which become due prior to such sale or transfer. No sale or transfer shall relieve such Interest from liability for any assessment thereafter becoming due or from the lien thereof. No sale or transfer shall relieve the tract owner from individual liability for assessments made during the period of his ownership and extinguishment of the lien shall not relieve the Owner of his personal obligation and liability.

Section 3.4 Abatement of Assessments. No diminution or abatement of assessments shall be allowed or claimed for inconveniences or discomfort arising from the making or repairs of improvements or from any action taken to comply with any law, ordinance or order of a governmental authority.

Section 3.5 Collection of Assessments. No Owner may exempt himself from liability for assessments by waiver of the use or enjoyment of any of the facilities provided or maintained by the Association. The Association may enforce collection of delinquent assessment by suit at law for a money judgment, and the expenses incurred in collecting unpaid assessments including interest, costs and attorney's fees shall be chargeable to the Owner in default. The Association may also discontinue the furnishing of any services to an Owner in default of its obligations. Any Owner in default in the payment of its assessment to the Association shall not be entitled to vote at any meeting of the members of the Association so long as such default continues.

ARTICLE IV

EASEMENTS

Section 4.1 Easements. By this instrument, Declarant grants, conveys and impresses upon the Property, for the benefit of the Declarant, his heirs, successors and assigns and for the benefit of the Owner(s) as defined in Article I, Section 1.1 of this instrument, an easement and right-of-way over and across the lands described as follows:

A 50-Foot Road Easement, being situated about 7.5 miles N. 34 deg. E of the City of Hondo in Medina County, Texas, being out of Survey No. 90, Abstract No. 220, Henry Castro, original Grantee, and out of Survey No. 89, Abstract No. 871, Jacob Solms, dec., original Grantee, also being out of a 258.7 Acre Tract conveyed from Annie Brucks Bendele and Marilyn Biediger Brucks by Deed dated May 30, 1997 and recorded in Volume 297, Page 444 of the Deed Records of Medina County, Texas, said easement being 25 feet right of and 25 feet left of and parallel to a center line being more particularly described in Exhibit "B" attached hereto and made a part hereof for all purposes.

This instrument grants an easement appurtenant which shall run with the land for the benefit of the Owners, their heirs, successors and assigns and this easement shall be perpetual. Declarant and Declarant's heirs, personal representatives, successors and assigns are and shall be bound to warrant and forever defend the easement and rights conveyed in this instrument to any and every person claiming or to claim all or any part of the interest in the Property.

The easement, rights and privileges granted by this conveyance are non-exclusive, and Declarant reserves and retains the right to convey similar rights and easements to such other persons as Declarant may deem proper.

Section 4.2 Maintenance of Roads The ingress and egress easement providing access to each tract is a private road which is owned by the Declarant and the Owners of the respective tracts. Declarant will maintain the road until June 30, 1999, at which time responsibility for maintenance of the easement will be conveyed to the Association. The Association will thereafter be responsible for maintenance.

Section 4.3 Utility Easements It is understood and agreed that perpetual easements are reserved for the installation and maintenance of utilities and all necessary appurtenances thereto, whether installed in the air, upon the surface or underground, along and within ten feet (10') of the rear, front and side lines of all tracts and in the roads or easements of the Property and ten feet (10') along the outer boundaries of all roads where Property lines or individual tracts are deeded to the center of the roadway. Nothing shall be placed or permitted to remain within the easement areas which may damage or interfere with the installation and maintenance of utilities. The easement area of each tract and all improvements within it shall be maintained by the owner of the lot, except for the facilities for which an authority or utility company is responsible. Utility companies or their employees shall have all of the rights and benefits necessary or convenient for the full enjoyment of the rights herein granted, including but not limited to the free right of ingress to and egress from the right of way and easement, and the right from time to time to cut all trees, undergrowth and other obstructions that may injure, endanger or interfere with the operation of said utility facilities. The easement rights herein reserved include the privilege of anchoring any support cables or other devices outside said easement when deemed necessary by the utility to support equipment within said easement and the right to install wires and/or cables not within said easement so long as such items do not prevent the construction of buildings on any of the tracts of the Property.

ARTICLE V RESTRICTIONS

Section 5.1 Prohibition Against Subdivision No tract may be subdivided without the express consent of the Declarant. After Declarant has conveyed all its interest in the subdivision, any consent to subdivision shall be by the express written consent of the Association.

Section 5.2 Prohibition Against Thru Easement No easement may be granted over or across any tract for the purpose of ingress and egress to property adjacent to the Property, without the express consent of the Declarant.

Section 5.3 Setback Requirements A greenbelt of one hundred feet (100') in width shall be maintained along the road frontage. No building, camp trailer, motor home, mobile home or structure of any nature shall be located on any tract closer than one hundred feet (100') to the front property line, nor closer than

fifty feet (50') to any side or back property line, unless prior written approval of the Declarant or the Association is given.

Section 5.4 Storage of Trash and Weeds. No tract shall ever be used for outside, unenclosed storage of any nature, nor shall any tract or part thereof be used or maintained as a dumping ground for rubbish or debris or junk. Trash, garbage, or other wastes shall not be permitted except in sanitary containers. All incinerators or cans or other equipment for the storage or disposal of such materials shall be kept in a clean and sanitary condition and behind tract improvements so they are not visible from the street.

Section 5.5 Unused Vehicles. The storage of junked, abandoned or wrecked items such as motor vehicles, boats, or other equipment or materials shall not be permitted on any tract in the Property. Any car or vehicle not in running condition or regularly used by the owner thereof or his agent shall not be allowed to remain on any tract in the Property for more than six weeks.

Section 5.6 Noxious Activity. No noxious or offensive activity shall be carried on or maintained on any tract, nor shall anything be done thereon which may be or become a nuisance to the neighborhood.

Section 5.7 Mail Boxes. All mail boxes shall be of a type and design and placed in a location approved by the U.S. Postmaster and the Association.

Section 5.8 Cleaning Tracts. After thirty (30) days notice to the Owner thereof, the Association shall have the right to clean and clear tracts of unsightly trash and refuse, such cleaning and clearing to be at the expense of the particular tract owner and for which a lien in favor of the Association may be placed upon the property, including interest, costs, and attorney's fees. Such lien shall be treated by the Association in the same manner as other assessments against such tract.

Section 5.9 Enforcement of Conditions and Restrictions. Any person owning an interest in the Property, including a mortgage interest, may enforce these restrictions through a proceeding at law or in equity against the person or persons violating or attempting to violate any covenant, condition, restriction, or limitation, either to prevent or to correct such violation, to recover damages, or to obtain other relief for such violation. This right of enforcement shall coexist with the right of the Association to enforce these restrictions. All expenses, including reasonable attorney's fees, shall be recovered from anyone violating these restrictions by the party bringing suit. Failure by the Association or any owner to enforce any covenant or restriction herein contained shall in no event be deemed a waiver of the right to do so thereafter.

Section 5.10 Mobile Homes. No "single wide" mobile home(s) shall be permitted to be placed on any tract in the Property without the express written approval of the Declarant or the Association.

ARTICLE VI

GENERAL PROVISIONS

Section 6.1 Duration of Restrictions. At any time within six (6) months before the expiration of the first twenty-five (25) year period, any five (5) property owners in the Property may call an election to be held in the Property for the purpose of terminating this Declaration. At such meeting, the vote to terminate must receive a vote of seventy-five percent (75%) of the owners of all tracts in the Property. The Declarant shall have the power and authority to amend this Declaration by filing and recording such changes in the same manner as this Declaration, so long as Declarant owns an interest in at least one tract in the Property. Thereafter, the Association as herein constituted shall have the power and authority to amend this Declaration by filing and recording such changes in the same manner as this Declaration upon written approval of any amendment by at least sixty percent (60%) of the Owners.

Section 6.5 Rights of Declarant. Notwithstanding any other provisions of this Declaration, the Declarant or its successor in title shall have the following rights with respect to any unsold tract in the Property:

- a. To locate a sales office thereon,
